

Mycological Planting Tablets

18-10-12 +5%MgO +4%S+TE +Fulvic Acid +Seaweed Extract +Mycorrhizal Fungi

Mycological Planting Tablets provide a total feeding solution with each tablet incorporating vital macro and micro nutrients to resolve the most common deficiency problems. The bulk of the potassium and nitrogen forms are slow release providing available food for longer periods of time. The sucrate nutrient forms are kinder to the plant roots stimulating a response that results in healthy plants.

The unique combination of nutrients and stress reducing compounds work together in the feeder root zone - the area where trees and shrubs get their nourishment. Tabs do not wash away like surface applications.

Direction For Use

New Landscape Planting

New landscape planting, bare root, B & B: Use 1 tablet for each 1 cm diameter of trunk at soil level. Dig hole, set plant/tree, cover root ball with several centimetres of soil. Place tablet 2.5 cm adjacent to root ball. Backfill soil and water plant. (Do not place tablet on bottom of the hole).

Established Plantings

Established Plantings: Use 1 tablet for each 1 cm diameter of trunk at soil level. Drill 15 cm deep holes in soil surface around dripline. Drop tablet into hole; cover and water.

Container Plantings

Use tablet per container as follows:

4 L = 1 tablet **12 L** = 2 tablets **20 L** = 3 tablets

Set plants and cover roots with several inches of soil. Insert tablet and cover soil to within 2.5 cm of container.

Mycological PLANTING TABLETS

Ingredient

Oxide Value Elemental Value

Total Nitrogen (N)		18.00%
Ammoniacal Nitrogen (N)		14.40%
Methylene Urea		3.60%
Phosphorus Pentoxide (P₂O₅)	10.00%	4.36% P
Soluble in neutral ammonium citrate	10.00%	4.36% P
Soluble in water	8.20%	3.57% P
Potassium Oxide (K₂O) soluble in water	12.00%	9.96% K
Magnesium Oxide (MgO)	5.00%	3.02% Mg
Calcium Oxide (CaO)	0.20%	0.14% Ca
Sulphur Trioxide (SO ₃)	4.00%	1.60% S
Iron (Fe)		0.50% Fe
Manganese (Mn)		0.05% Mn
Zinc (Zn)		0.05% Zn
Copper (Cu)		0.05% Cu
Boron (B)		0.02% B

Also contains: Fulvic acid, Seaweed extract, Mycorrhizal fungi

Derived From: urea, methylene ureas, ammonium phosphate, potassium sulphate, magnesium sucrate, sodium borate, copper sulphate, iron sucrate, manganese sucrate, zinc sucrate, calcium carbonate.

Each tub contains: 500 x 24 g tablets (12 kg)
