TURF RISE FEED, WEED AND MOSS KILLER

# Revival

## Turf Rise Feed, Weed and Moss Killer

**MAPP 18983**

### Product Details

Longevity	Granule Size	Cutting Height	Application Rate	Bag Coverage
4-6 weeks	Mini 1-2.5 mm	All turf	32 g/m <sup>2</sup>	625 m <sup>2</sup>

### Analysis

#### Compound fertiliser 10-2-2 with iron

Ingredient	Oxide Value	Elemental Value
<b>Total Nitrogen (N)</b>		<b>10.00%</b>
Ammoniacal Nitrogen (N)		8.60%
Urea Nitrogen (N)		1.40%
<b>Phosphorus Pentoxide (P<sub>2</sub>O<sub>5</sub>)</b>	<b>2.00%</b>	<b>0.90%</b>
Soluble in neutral ammonium citrate	2.00%	0.90% P
Soluble in water	0.00%	0.00% P
<b>Potassium Oxide (K<sub>2</sub>O) soluble in water</b>	<b>2.00%</b>	<b>1.70% K</b>
<b>Calcium Oxide (CaO)</b>	<b>3.00%</b>	<b>2.14% Ca</b>
Sulphur Trioxide (SO <sub>3</sub> )	35.00%	14.00% S
<b>Iron (Fe)</b>		<b>8.00% Fe</b>
Active Substances		
2,4-D		0.286% w/w
Dicamba		0.057% w/w
Iron sulphate		21.73% w/w
Mecoprop-P		0.286% w/w

### Instructions For Use

#### Spreader Settings

Spreader	Application Rate	Single Pass	Double Pass	Spread Width
AccuPro (cone 6)	32 g/m <sup>2</sup>	N ½	I ½	3.5 m
EV-N-SPRED®	32 g/m <sup>2</sup>	23	15	2 m

#### Application

**Where to use:** For use on lawns. Defined as; any areas composed primarily of close mown grass, including such areas in private gardens.

**When to use:** Can be applied between May and August when grass, moss and weeds are actively growing and soil is moist.

J	F	M	A	M	J	J	A	S	O	N	D

- ▶ Do not apply during drought or freezing conditions or when heavy rain is forecast.
- ▶ Granules or dust should not be allowed to come into contact with onto flowers, shrubs, fruit or vegetable plants.
- ▶ Apply only to established turf.
- ▶ Do not use on new grass for six months.
- ▶ Grass should not be cut 3 days before treatment and not cut again until at least 4 days after treatment.
- ▶ **If no rain falls within 48 hours of application irrigate the treated area thoroughly.**

#### How to use:

Mark out areas to be treated and apply at 32 grams per square metre. Apply evenly using a suitable calibrated fertiliser spreader on a still day, avoid overlapping or missing areas. Keep product off skin and away from eyes. It is good practice to wear gloves when handling this product although this is not a requirement. Avoid walking on treated areas until it has rained, or product has been watered in. If no rain falls within 48 hours of treatment, irrigate treated area thoroughly. If spilt on hard surfaces brush off immediately to avoid discolouration.

The moss will blacken as it dies. Any discolouration of the turf is temporary. Rake out dead moss 7-14 days after treatment. For heavy moss infestation, if moss returns or for re-growth of persistent large, or perennial weeds re-apply allowing a minimum interval of 40 days.

### Affected Species

**Turf Rise Feed, Weed and Moss Killer is effective against the following broad-leaved species:**

<i>Taraxacum officinale</i> (Dandelion)	<i>Bellis perennis</i> (Daisy)
<i>Trifolium dubium</i> (Lesser trefoil)	<i>Prunella vulgaris</i> (Selfheal)
<i>Ranunculus repens</i> (Creeping buttercup)	<i>Plantago major</i> (Greater plantain)
<i>Cerastium fontanum subsp. vulgare</i> (Mouse-ear chickweed)	<i>Veronica serpyllifolia</i> (Thyme-leaved speedwell)
<i>Potentilla reptans</i> (Creeping cinquefoil)	<i>Lotus corniculatus</i> (Bird's-foot trefoil)
<i>Plantago lanceolata</i> (Ribwort plantain)	<i>Trifolium repens</i> (White clover)

### Management Techniques

An effective all-year round management plan as part of a best practice Integrated Pest Management (IPM) strategy incorporating the use of Turf Rise Feed, Weed and Moss Killer to reduce the incidence of mosses and weeds will include the following cultural and non-chemical management techniques:

- Regular appropriate feeding with fertiliser to help ensure that grass plants are healthy and more able to outcompete weeds, diseases and pests.
- Aerate the soil to encourage free passage of water and nutrients.
- Rake/scarify to prevent the build-up of fibrous material (thatch) which encourages weed and moss growth.

### Important Information

- **Do not** re-seed or turf for at least six weeks after application.
- **Do not use** the first four mowing's for mulching cultivated plants unless composted for six months.
- Turf Rise Feed, Weed and Moss Killer must not be mixed or used with other plant protection products.
- **Do not** apply more than two times in any one season.
- A 40 day interval is required between applications.

**Warning:** Products containing iron can stain wood, stone and other hard surfaces.

#### Turf Rise Feed, Weed and Moss Killer

##### Warning:

**Causes serious eye damage.**  
**Harmful to aquatic life with long lasting effects.**  
 If medical advice is needed, have product container or label at hand.  
 Keep out of reach of children  
 Wash hands thoroughly after handling  
 Wear protective gloves / protective clothing / eye protection / face protection.  
 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.  
 If eye irritation persists: Get medical advice/ attention.  
 Collect spillage.

Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of by recycling. Contact your local council for details.  
 Contains 2,4-D. May produce an allergic reaction

**Product contains:** Superphosphates

**Read label before use**  
**To avoid risk to human health and the environment, comply with the instructions for use**

MAPP 18983

### SAFETY INSTRUCTIONS

**Protection during/in use**  
 WASH HANDS AND EXPOSED SKIN AFTER USE/HANDLING. If swallowed seek medical advice immediately and show this container or label.  
**Environmental protection**  
 Do not contaminate water with the product or its container. Do not empty into drains.  
**Storage and disposal**  
 Store in a cool, dry place.  
 KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed, in a safe place.  
 KEEP PRODUCT AWAY FROM CHILDREN AND PETS.  
 KEEP AWAY FROM FOOD, DRINK AND ANIMAL FEEDING STUFFS
