

Unsung HEROES 2007

Organised and
sponsored by:

THROUGHOUT the country, throughout the year, groundsmen and women, greenkeepers and all those involved in the amenity turf care industry (full-time and part-time) are going about their profession without fuss - preparing pitches, sportsgrounds, golf courses, play areas and open spaces for safe and enjoyable recreation.

Here is your chance to once again nominate your chosen candidate for an **Unsung HERO** Award. Someone who not only does an excellent job - but manages to put in that bit extra.

There will be two awards - one for the golf industry and one for the sports, amenity and turf sector.

PRIZES

Each winner will receive vouchers that can be exchanged for any holiday in the U.K. or abroad and are valid for up to two years, a cheque for £200, and a framed award certificate.

In addition, both the Unsung Heroes will be featured in *Pitchcare* Magazine, on the *Pitchcare* website, in *Greenkeeping* Magazine and on the *Greenkeeping* website.

The winners will be announced at a special awards ceremony during Harrogate Week in January 2008.
